## 830 SEC-CO's Roundtable

Emergency Act → intent is to fill gaps in legislation : 30 days, extendable

- public order emergency
- jurisdictional authorities don't change
- provides more tools in the tool box

↳ financial issues re vehicle seizures, etc

?  
Summary

- Need to exploit the measures under the act to the extent possible
- Any instructions/guidance to other police agencies?
- Brief up on any enforcement activities

## QuickNotes®

As of Feb. 13 in CAN 3.2M cases  
35,542 deaths  
∴ fatality rate of 1.1%  
or 98.9% survivability

(2)

Legislated NECC of EA

☑ - expect inquiry → ensure all decisions documented + info maintained appropriate

- PPSC engaged re prosecutions under the EA → PPSC will take lead

Delegat<sup>n</sup> of authorities to compel essential services → now rests with the Commr → will be delegated, most likely to CROPS (operational)

☑ Get copy of EA; U/S authorities any uncertainty/questions, reach in to Centre

Patrick Vézina (Legal) - placemat

Michel Arcand

- commr with CROPS re program

QuickNotes®

MA We're providing names to financial institutions  
↳ nat'l will be the hub to provide info  
Banks must freeze acc'ts  
(OPP has agreed to send names) - 14 names provided this morning - Concentrating Office

- identified all FP resources request
    - ↳ Looking for new #s for upcoming deployment
  - Nat'l Div STU will coordinate
  - Expect Div's to lead submission + NADQ will support
  - If Nat'l shares, will first work with Divisions to ensure info passage OK
- Michel Arcand → Trying to centralize submission to banks, template being developed for this purpose

## QuickNotes®

Questions → send to Brian Brennan with cc to Patrick Vezeau

\* Province cannot dictate that we don't use EA

Brian Brennan → Ottawa remains focus of everyone's attention threat  
→ direct ~~attack~~ on our democracy thru Blockade

→ Will be a significant ask for resources in very short order

→ Ottawa is the priority for policing particularly specialized functions

→ not looking now for GD resources, but that may come

→ Looking at CAF support for lift

→ all material now but need to

\* U/S urgency

→ if we're asked for resources, we are at last resort to take provincial resources

# FP resources will be needed by this afternoon

Command - Integrated

OPP lead (ON-PSA), not us

Can we share placement w ~~other~~ Prov  
& other Police Services?

Jericho March tomorrow

H. 7am ; 7 laps ; horns

(- Placemat (should be finalized soon))

0930 SEC-CD's Roundtable

Commr: - Integrated response in Ottawa has advanced significantly

- Can designate C.I. sites as essential in POE and single road access

- 35 = 75 + 18 } Disclosed to Banks  
identities: people / vhs } et al- ~~27~~ 27 } about to } Frozen  
products } be frozen- 50 Designated persons - OPP + OPS  
20 " " - RCMP- Working on other id's (~200  
vhs, owners + drivers)- Will pursue until operat<sup>n</sup> is over

- Once everything is safe, will advise the banks that they can now determine whether to + when to unfreeze accts

Patrick Vézina:

EA Tools → placemat done,

Solicitor-Client Priv.

Solicitor-Client Priv.

QuickNotes®

G/S/B Update - Keith Finn

- not'll sit reps
- Request for info update has gone out through NOC → report if using or considering use of EA

- surge capacity closer to Ottawa obtained; FP resources that were to be deployed can be stood down but need to ensure they're ready to go if needs change

Dennis Daley → Updated CMC re EA; didn't speak to specific resource req'ts

Mike Duheme → POU's stood up at 5 AM today (10 to 11 Sites)

→ looking at 48-72 h to finish

→ so far, everyone cooperating

→ 14 POUs in Ottawa

→ large # of police resources in Ottawa

RT Conference in N.S. in October
